+ Find & Select Course

Please note that WebConnect updates daily. Changes may not be reflected on your account immediately

From this screen you can view information about courses as well as drop courses which you are registered for.

To add courses, click on Find & Select Course

The screenshot shows a user interface with two main panels. The left panel, titled 'Current Courses', displays a table for the Spring 2012 term at Winebrenner Theological Seminary. The table lists three courses: CM 585-OL (Discipleship Ministries), IS 510 (Foundations in Theological Studies), and TH 500 (Survey of Christian Theology). Each course entry includes 'View Details' and 'Drop Course' links. Below this table is a 'Student Advisors' section. The right panel, titled 'Existing Student Requests', shows a table of requests with columns for 'Date of Request', 'Requested Action', and 'Status'. It lists five requests, all marked as 'completed', with 'View Details' links. At the bottom of the interface is a '+ Find & Select Course' button and a disclaimer: 'The school offers online registration requests as a convenience and service to you and school employees; however, the school can not guarantee that all requests can be honored in whole or part. If you have questions or time-sensitive requests you should contact the school and/or your advisor(s) directly.'

You may then add a course for credit or audit. Conflicts are indicated in red.

The screenshot shows a modal window titled 'Available Courses' with a 'Close' button in the top right. A red warning message at the top reads: 'Deemed reliable, but not guaranteed - all data are subject to change and correction.' The modal contains a table of available courses. The first row is for IS 500-OL (WTS. 20122.IS 500-OL.1 Hermeneutics) with 'Add Course' and 'Audit Course' options. The second row is for IS 510 (WTS. 20122.IS 510.1 Foundations in Theological Studies) with a red conflict message: 'you're already in or registered for this class'. The third row is for IS 510 (WTS. 20122.IS 510.2 Foundations in Theological Studies) with 'Add Course' and 'Audit Course' options. The fourth row is for IS 550 (WTS. 20122.IS 550.1 Theological Summit) with 'Add Course' and 'Audit Course' options. The fifth row is for NT 522 (WTS. 20122.NT 522.1). The background shows a partial view of the 'Current Courses' and 'Existing Student Requests' panels from the previous screenshot.
